

**25<sup>TH</sup> ASIAN CYCLING CHAMPIONSHIPS AND 12<sup>TH</sup> JUNIOR  
CYCLING CHAMPIONSHIPS – 11<sup>TH</sup> TO 18<sup>TH</sup> DECEMBER 2005 AT  
LUDHIANA, (PUNJAB) INDIA.**

**COMMUNIQUE – 2**

**GENERAL :SPECIAL REGULATIONS**

- i) As sufficient interesting events are available on the Calendar like Scratch Races, Team Pursuit, Sprint, Olympic Sprint, Elimination Races, Keirin and Madison Races, therefore, it has been decided not to hold the Individual Time Trial either on Road or Track, as decided recently by UCI.
- ii) Those who are above 19 years on 1.1.2005 (both in Men & Women Section) will come in the Senior Group and those who are below 19 years on 1.1.2005 can compete in the Junior Events both for Boys and Girls.
- iii) For checking of Age, Passport of each participant from out side India would be checked and for those Indian participants who hold the Passport, the Age will be checked from the Passport and the Indian Participants who do not have passport, the Age will be checked from the Rider License of 2005.
- iv) For appearing before the Anti Dope Control Panel, each participant must carry his/her passport/rider license with him to prove his/her identification. Therefore, all riders must have their Passport/Rider License ready with him/her all times during the competition.
- v) The Dope Tests would be carried out at Dope Control Centre at New Delhi. The samples collected will be sent to New Delhi every day. In case of any adverse finding(s), the 'B' Sample would be sent to Bangkok Laboratory for confirmatory test(s). Only those samples will be sent to Bangkok, where some objectionable material is found.
- vi) During the Road Races of Team Time Trial, one small vehicle would be provided to each team for carrying their repair/changeable material like Wheels, Cycles etc. However, for the Individual Road Races, three neutral cars with bikes and repair material to be contributed by teams would be carried behind the bunch and they will render necessary help to all cyclists. In addition to this, a Repair Pit in the middle of the Road Circuit would be provided where the team mechanics can render the

necessary help for repairing the cycles and this Repair Pit will also be used as Feeding Point as per regulations. The feeding will have to be done by the respective team official(s). The Organizer will provide pure simple mineral water in pouches/plastic bottles. No other material will be provided by the Organizer. The organizer will not be responsible, if any rider takes any feed at any point on his own on the way.

- vii) During the Road Races, the teams will have to reach the Starting Point by 7.00 AM positively. The busses for transportation will report to the hotel/place of stay in the morning at 6.00 AM and will leave for Road Site at 6.30 AM. Therefore, the riders and officials make their own arrangements for feeding their riders before the start of the Races, as the Breakfast in a packed form will be delivered at 9.00n AM at the Road Point for all participants and officials.
- viii) During the Track Events, the Breakfast will be provided at the hotels/place of stay at 7.00 AM. You have to ensure that your riders finish their Breakfast by 7.15 AM and reach the Velodrome at 7.30 AM positively. The velodrome is only within 1.5 KM of various hotels/place of stay. The riders can easily come on their Road Bikes up to Velodrome. It will save time for warming up.
- ix) Opening Ceremony would involve March Past and Cultural Programme and as such all of you are requested to participate in full strength to witness the Cultural Programme in the March Past.
- x) The security arrangements would be tight and every body must keep his/her Accreditation Card, Passport and Rider License with him/her for identification purposes.
- xi) The Rider License and Passport will be checked on arrival on 9<sup>th</sup> December 2005 evening at 5.30 PM, where the Managers meeting will also be held.

Yours Sincerely,

  
(J.S. GREWAL)

Hony. Secretary General,  
Cycling Federation of India  
&  
UCI International Commissaire
